DEMOCRATS AT PALAMA.

STRONG TERMS

Just at the terminus of the car line at Palama the Democrats held a meeting and a small crowd was present to listen to the Bryanites. Abraham Fernandez was the first speaker. He warned his the Bryanites. Abraham Fernandez was the first speaker. He warned his small audience to defy the Republicans as the over who had brought so much trouble on them. Fred. Weed followed him. Eugene Sullivan then made a brief talk, after which Sulivan and Fred. Weed waited for S K. Kaloa and Joseph Fern, who were on the program of the evening.

While they were waiting, a man named Ealoka, who works for Achi, then talked about the Republican party, and warned the natives not to join the Democratic party.

WHAT MACFARLANE SAYS. The following is Macfarlane's reply to a letter of the same tenor from the

Mr. George Markham, Secretary inde-pendent Home Rule Party, City. Sir-I am in receipt of your com-munication of this date in which you

inform me that at a meeting heid at the headquarters of the independent Home Rule party, my nomination as Representative for the Fourth Discrete had been revoked because of my "amllation with the Democratic party.'

It is a matter of surprise to me that 'affiliation with the Democratic party' should all at once be held by the Independent Home Rule party to be such a

When my name was placed upon your ticket I had aiready received the nomination of Representative upon to-Democratic ticket, and had accepted the same, and this fact was known to the members of your convention when they personally endorsed me for the same office on their own ticket. Was not, therefore, my affiliation with the Democratic party known to you at the time you nominated me? If, then, my amiliation with the Democratic party was no bar then, what has happened pray, to make it objectionable now?

You inform me that my nomination was revoked at a meeting held at the headquarters of the Independent Home Rule party. What meeting it was, and what authority it had to take my name off the ticket is not apparent.

The nomination by your party was not sought by me, and I question your authority to revoke my nomination now. In the interests of the Hawaiian people, whose interests you specially claim to represent and safeguard, I protest against any such declaration of war upon those "afiniating with the Democratic party," and I claim right here and now that the Hawalan people do not, and will not, and cannot

support you in any such stand.
If the Independent Home Rule party choose to set Prince David Kawanana-koa aside and vote for R. W. Wilcox as a delegate to Congress, do I under-stand that they will read Mr. Wilcox out of the Independent Home Rule party if he "affiliates with the Democrats" in Congress? If not, then is not this declaration of war on Democrats here a queer way to secure for Mr. Wilcox the recognition of the Democrats in Congress, unless, indeed, the few at headquarters who are assuming to run the Independent Home Rule par-ty have concluded to "affiliate" with

the Republicans?
I chailenge the postion you have assumed in behalf of the Independents against the Democrats as one unsup-ported by the rank and file of the Independent party, and feel safe in say-
